YOST EVENTS

\$5,000

Guaranteed to first in the Average!

Explain the Guarantee: The \$5,000 guaranteed to first in the average will not be front-loaded out of the ropers' pot. For example, if at 50 entered teams first pays out \$1,500, then Yost Events will make up the other \$3,500 so that first pays the \$5,000, plus the roping's other places pay their same percentages.

General Information: Cash only; checks for USTRC Gold Plus members only. A five-second barrier will be used. For arena directions, visit naateamroping.com.

2012 NAA Membership required to rope: You can purchase your NAA card for \$40 on site. If you are 70 or older or a 2012 USTRC member, your NAA membership is free.
